

## RESOLUTION

Through the Fence (TTF) operations are those activities permitted by an airport sponsor through an agreement that permits access to the taxiways and landing area by independent entities or operations offering an aeronautical activity or to owners of aircraft based on land adjacent to, but not part of, the airport property.

WHEREAS, the Yellow River Airport Property Owners' Association, Inc. (YRAPOA) seeks to clarify its position on TTF operations,

WHEREAS, TTF operations create unknown impacts on safety, community harmony, surrounding environment and other factors as of yet unknown lacking a tangible situation,

WHEREAS, publically funded airports have specific guidance from the FAA (i.e., FAA Order 5190.6A) which are not applicable to the privately owned Yellow River Airport,

WHEREAS, an unstated policy on TTF operations may cause undue hardship for a land owner who purchases land expecting a right to TTF operations,

BE IT RESOLVED THAT, on this 6<sup>th</sup> day of August, 2010,

1. The Yellow River Airport is for the use of the property owners, their successors and parcel divisions thereof, defined by tax parcel ids shown in ATTACHMENT A;
2. Any adjacent property owners not defined in (1) who seek access to the airport are considered TTF operations;
3. YRAPOA considers any prospective TTF operations to be a privilege and not a right and such privilege must be properly administered; and
4. TTF operations require consideration and approval by the YRAPOA, options include denial of the TTF operation, deeded access, an access agreement or other mechanisms not contemplated by this resolution.
